

Working together and leveraging our collective expertise to find real solutions to transform healthcare is more important than ever.

This is why we are excited to invite you to our annual Breakthroughs conference.

WHY BREAKTHROUGHS?

Trailblazing innovations. Rising costs. Cutting-edge technologies. Regulatory uncertainty. Lifesaving treatments. The challenges and the opportunities for healthcare have never been more evident.

Premier's Annual Breakthroughs Conference and Exhibition, an exclusive member event, convenes healthcare thought leaders and peers across the care continuum to drive knowledge sharing and collaboration. At Breakthroughs, you will:

- Get the latest updates on healthcare policy;
- Learn best practices from colleagues who are driving meaningful improvement to reduce cost, redesign care, and improve outcomes;
- Build new relationships with peers who share your concerns and issues;
- Optimize your supply chain with Premier's exhibiting suppliers;
- Gather information about the clinical and operational innovations that are on the horizon.

You will leave the conference enlightened, energized and prepared to chart the road ahead.

Take advantage of this customizable experience, set in the heart of DC, to find the solutions you need to improve the health of your organization and community.

Insights tailored to you.

Supplier showcase – learn from more than 500 suppliers how to maximize your supply chain efficiency through contracting and resource utilization.

Visit experts in the Premier Village, the PremierConnect® Learning Lab or the Premier Academy to find practical solutions to your most critical questions.

Take advantage of the numerous formal and informal networking opportunities to interact with peers and experts from across the Premier family.

Premier members: No cost to register.

Best practices. Create a tailored curriculum from 150 concurrent sessions that are offered in more than 25 different educational tracks and walk away with practical solutions that can be immediately applied.

Thought leadership. Be inspired by well-known and respected healthcare, political and business leaders as they share their insights in general sessions. The best and the brightest experts and innovators offer strategies, review trends and highlight solutions that will help you meet the industry challenges ahead.

Continuing education. Breakthroughs offers the following continuing education credit opportunities:

- Accreditation Council for Pharmacy Education
- American Culinary Federation
- American Society for Clinical Laboratory Science
- Association for Healthcare Resource and Materials Management
- American Society for Healthcare Risk Managers
- Continuing Medical Education (physicians only)
- Certified Professional in Healthcare Quality
- Commission on Dietetic Registration
- Dietary Managers Association
- Healthcare Information and Management Systems Society
- Human Resources Certificate Institute
- Nursing Contact Hours

BREAKTHROUGHS 2017

JUNE 27-30 // Walter E. Washington Convention Center – Washington DC

"As a newer leader in healthcare attending the Premier Breakthroughs Conference has helped me take my knowledge and understanding of quality healthcare to the next level. I cannot wait to begin the implementation of excellent quality care at the organization I work for.

" Melissa H. - Clinical Leader

WHY BREAKTHROUGHS.

"Every time I attend Breakthroughs, I am awestruck The fact that we can pull together the brightest minds in the country and in the world to reshape healthcare as we know it today is mind boggling. Networking and knowledge sharing at its finest."

Julie P. - Premier Certified Sponsor

"If you need to get reenergized about leading change for improving the quality of healthcare delivered at your facility, you should be at the next Premier Breakthroughs conference. You will leave renewed with new ideas and ready to tackle your next project!"

Sandie P. - RN, Performance Improvement Coordinator

"Premier Breakthroughs continues to be one of the most valuable ways in our industry to connect with peers and vendors to share the latest trends and best practices in supply chain."

Steve T. - Purchasing Manager

Let's transform healthcare together.
