The C-suite Forum is intended exclusively for Premier hospital and health system member CEOs, as well as others from the C-suite. Teams are encouraged to attend. This timely event is designed to help facilitate the creation of real, actionable approaches to navigate today's ever-changing environment by offering:

- An elite platform for sharing strategic healthcare leadership and business content;
- Distinctive opportunities for collaboration and best practice sharing among top level peers;
- Innovative solutions to the most challenging problems today's executives face; and
- Revolutionary, compelling calls to action that transcend the event.
